Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Friday 01 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry, bright tomorrow. Some wintry showers north, far east.

This Evening and Tonight:
Some showers will linger in the north but elsewhere there will be largely clear skies, leading to a cold, frosty night, with light generally northerly winds.

Saturday:
Tomorrow dry and bright for most, but some wintry showers in north and far east, which start to die off in northwest during the afternoon.

Outlook for Sunday to Tuesday:
A lot of dry weather over the coming days with light winds but with a few wintry showers at times in the east. Overnight frosts expected.
